Dear Name,

Prayers. Now more than ever!

Please. Join us in a special emphasis called 316NOW's *15 Days of Prayer*.

The barriers China is erecting to Christianity today have not been seen since Mao's Cultural Revolution. Gatherings of Christians are strictly monitored. Churches not registered with the government are being dissolved. Some church leaders are being arrested. Some churches, even registered churches, are being destroyed.

The government's actions intimidate Christians. Increasing numbers avoid worship because their attendance is monitored. Anyone who is employed by the government, including teachers, risk losing their positions if their faith in Jesus is discovered. Christians are hesitant to speak of their faith online because the government monitors that communication.

Meanwhile, 1.3 billion souls from China are without faith in the forgiveness Jesus has won for them and freely offers them.

In 2025, the *15 Days of Prayer* effort has more urgency than in all the years 316NOW has urged American Christians to pray for Chinese people. Pray fervently. Pray NOW.

Especially we ask that you also pray with us during China's most important national holiday of the year: the Chinese New Year and Spring Festival. In 2025, it stretches for fifteen days from January 29-February 12.

Add your prayers for China to ours. Ask boldly. Ask consistently. Ask in faith. Ask the Spirit to bring the message of his love and forgiveness to astounding numbers of Chinese citizens. Ask, trusting our Father's promise that – because of his grace in Jesus -- he will hear and act on our prayers.

Thank you for being our prayer partners.

Christ's love compels us,

Mark C. Wagner
Executive Director
